## ENVIRONMENTAL POLICY STATEMENT

The 178<sup>th</sup> FW is committed to continued excellence, leadership, stewardship, and conducting our mission in an environmentally responsible manner that will protect human health, natural resources, and the environment. In doing so, we will comply with all Federal, State, Local, Executive Orders, Department of Defense, Air Force and Air National Guard environmental laws and regulations applicable to the conduct of our mission striving for continual improvement in our environmental performance. This commitment goes beyond compliance with the law and encompasses the integration of sound environmental practices into our daily decisions and activities. We have in the past, and will continue in the future, to pursue a course of responsible stewardship. In support of our environmental, we will seek to:

- Promote the conservation and sustainable use of natural and manmade materials;
- Minimize environmental pollution and waste;
- Build environmental concerns into all policies, programs, and missions;
- Integrate environmental information into all levels of management;
- Achieve continuous improvements in environmental performance over and above regulatory and legislative requirements; and
- Work in partnership with all stakeholders to promote waste reduction.

Compliance with this environmental policy is the responsibility of every member of the Springfield, Ohio, Air National Guard community in accordance with his or her role and responsibilities in the organization.
